

**Dear Parents,**

We would like to express our heartfelt gratitude for your continued financial support and your investment in our school community. Your unwavering commitment to our mission and the positive impact of your involvement on our students and staff are truly appreciated.

We want to reassure you that the decision to raise tuition has been made with careful consideration of our school budget, ensuring that we maintain the quality of education your children receive. Our commitment to fostering academic excellence and providing a nurturing environment remains our primary focus, and we are dedicated to ensuring that your investment continues to deliver long-term value for your child's future.

The tuition increase is designed to directly benefit our students by enhancing their overall educational experience. This may include improvements in facilities, upgrades to classroom technology, and investments in teacher retention costs. The specific programs and initiatives that will be funded are as follows:

- **Expansion of STEM (Science, Technology, Engineering, Math) programs**
- **Introduction of new extracurricular activities (e.g., robotics, advanced arts programs)**
- **Facility upgrades, such as new classrooms or a renovated gymnasium**
- **Enhanced technology resources, including updated computer labs and online learning platforms**
- **Hiring and retaining high-quality teachers and staff, ensuring small class sizes and personalized attention**

**2025–2026 Tuition and Fees**

GHCA strives to keep tuition and fees as affordable as possible. However, to continue attracting excellent teachers and maintaining a high-quality learning environment, we must invest in our programs and personnel. As a result, there will be a 3.57% increase in tuition for Kindergarten through 8th Grade (from \$7,000 to \$7,250), effective for the 2025–2026 academic year. Please note that **parishioner discounts will no longer apply.**

Late or missed payments may jeopardize a child’s enrollment. A **10% sibling discount** applies to tuition only for each additional child; other fees remain unchanged per child.

With this tuition adjustment, GHCA continues to provide a quality educational experience while being mindful of our families’ financial considerations. We appreciate your understanding and cooperation.

Thank you for your continued support and understanding.

Sincerely,

GHCA Administration
